# SUMMER EVENING SERIES NONSUCH PARK – FINAL DETAILS Tuesday 25th May 2021

Thank you for entering the above event. If you are feeling unwell on the day, exhibiting any of the Covid symptoms, having to self isolate, or instructed to isolate from a medical professional, please do not come on this occasion.

Please continue to observe 2m social distancing at the Start and Finish and use hand cleansers provided.

**Your Start time:** is on the Race Sign Up website. If you arrive early wait until around 10 minutes before your start time before joining the queue.

**Start location:** The start location will be in the Park at TQ 236634 close to the west end of the car park, to the south of the entrance road accessed via Cheam Gate park entrance.

**Pre- hired dibbers** can be picked up at the Start.

**Parking:** There are 2 public car parks close to Cheam Gate entrance. Once inside the Park, the largest is on the left of the entrance road and closest to the start, with a smaller one on the right after 80 metres. There is a further car park accessed from the Cheam Gate entrance, by passing the 2 car parks described above and turning right at the first road junction to a car park near the Nonsuch Mansion. Note: Cheam Gate will be closed at 8.30pm  
There is also a public car park off the A232 at TQ24156355 free after 6.00pm.

**Equipment required:** Watch; Si dibber unless hiring, compass useful but not essential; a whistle to summon help if required but not mandatory. **Clothing:** Full leg cover is advised as nettles/brambles may be encountered if deviating away from the paths. Otherwise wear whatever is comfortable to walk or run in, including rainwear if appropriate.

Courses close at 8.15pm sharp.

### Event details:

**Course A:** will comprise 14 odd numbered controls and 14 even numbered controls plus a “switch” control. The control code numbers found on the control stakes will correspond with the control number on the map + 200. eg control 1 on the map will have a code **201**, control 2 code **202** etc. The switch control is numbered **00** on the map with the code number **200**. You should then start with visiting either set of controls and **must use** the switch control before changing sets. You may only use the switch control once. Every control including the switch is worth 10 points. You will have 60 minutes to visit as many controls as possible. If you visit a control from the other set before switching, it won't count, but can be revisited after switching. Ties will be decided by fastest wins.

**Course B:** The same 29 controls as course A will be used. They can be visited in *any* order so no switching required. Each control is worth 10 points. You will have 60 minutes to visit as many as you can. Ties will be decided by fastest wins

**At the Start:** Please use hand cleanser provided in the Start lane. Competitors will start at 1 minute intervals. 2 metre distancing will be observed in the start lane queue.

**Penalties:** For both courses the penalty for lateness is **1 point per 6 secs** over 60 minutes

**Control descriptions** will be printed on the map in text form only for both courses.

**At the Finish:** use hand cleanser provided.

**After finishing,** please report to “Download” near the Start where the controls you have punched will be downloaded onto the results system. Hired dibbers should be left in the box provided at Download.

**Last minute changes:** Please visit the MV Web site before travelling to check for last minute changes or new information about this event. [www.mvoc.org](http://www.mvoc.org)

**Results:** Will be available on the club web site as soon as possible after this event.
