Every junior who enters a league event will be awarded points 25 for first, 24 for second etc. These points are award boys and girls separately, as well as for each course.

Juniors aged 11 and over running the A course will receive a time handicap of 10%. Those running in pairs or groups will receive a time handicap of 10%.

Junior League Numbers

Everyone who has completed a league event will be allocated a Junior League number. These numbers relate only to the Mole Valley League. Where Mole Valley is using events of other local clubs, they may have their own system of numbering.

Mole Valley Schools/Group League

Information

Any school or group within the Mole Valley area (SW London and Surrey) can enter the league. To register a school or group in the league we will need the contact name of a teacher or leader and names of at least 5 pupils. Forms are available at the league events or from **publicity@mvoc.org**

The best two scores from each school or group on any course will be added to the total after each event.

The school or group with the most points at the end of the series; will win the league.

Please check the Mole Valley website for event details and if necessary follow the link to the organising club's web site. Even if you have confirmed it once, check again for last-minute changes before travelling. **www.mvoc.org**

The league will continue through into next year, although token prizes will be awarded after the St Leonard's Forest event.

As the league has only just been launched we are still in the process developing the rules. Please send comments and suggestions to Peter at **publicity@mvoc.org**
