SHEEPLEAS, EFFINGHAM FOREST AND OLDLANDS WOOD REGIONAL EVENT

Ranking event and South-East League

Sunday 17th January 2010

The organiser regrets the late publication of this event. Major but unavailing efforts have been made to find a car park within walking distance of the event area and avoid expensive buses.

Terrain Some public access woodland with many paths, open areas and mixed vegetation. The longer courses cross a minor road to enter forestry plantations with a complex ride network. Sheepleas and Effingham Forest were used for a National Event in 1999 (and not used since 2000). Oldlands Wood has not been used for at least 25 years.

Parking Leatherhead Leisure Centre GR TQ 162562 OS sheet 187. Registration and download in the Leisure Centre, also toilets, changing rooms, showers and refreshments. There will be a bus shuttle service to the event running approximately every 15 minutes. You will be allocated a bus time rather than a start time.

Public transport: Leatherhead Leisure Centre is 900m from Leatherhead Railway Station served by trains from London Waterloo, Guildford and Dorking.

Map 1:10000 resurveyed by Mike Elliot autumn/winter 2009. Contour Interval 5m. Maps will be pre-marked and water-proof but not bagged.

Courses Pre-entry:- courses as below, colour-coded as BOF guidelines. Entry on the day according to availability of maps. Sorry, but no string course (but the Leisure Centre facilities will be available at normal rates).
