MOLE NIGHTS 2012

BOOKHAM - Hydro

Thursday 10th May 2012

Mole Valley is running a series of low key evening events during the summer of 2012. You are welcome to join us for this event at Bookham. Please check www.mvoc.org for details of the other events in this series.

Location: Event Starts and Finishes at Ye Olde Windsor Castle public house, Little Bookham Street, Bookham, KT23 3AA . 1:50000 OS map 187/125545

Parking: In the pub car park or free in the surrounding streets.

Public transport: Nearest rail station, Bookham. Turn right out of station forecourt and stay on this road for approximately 1.2Km for pub on right hand side.

Format: This event is a 45 minute score event. It is based on a map produced from OpenOrienteeringMap (<http://oobrien.com/oom/>) with the addition of some open runnable areas. The Hydro element means that all control sites are yellow water hydrant markers which means that answers are single, double or triple digit numbers only. For convenience the answer box is on the same side as the map so there's no need to turn the map over.

PLEASE BRING A PEN: to write your answers at the control sites. Compass not essential.

Entry Fee: £2. Free to Moles.

Entry system: There are no pre entries for this event. However, to ensure we print enough maps, please register your interest and reserve a map to guarantee a run. To do this email the planner David Fisher: southey182@ntlworld.com .

Starts: Starts between 7.00pm and 7.30pm.

Safety: Unfortunately BO insurance does not cover those under 16 for running on urban streets. Therefore anyone under 16 must be accompanied by a responsible adult.

Last minute changes: Please visit the MV Web site before travelling to check for last minute changes or new information about this event. www.mvoc.org

Results: Will be produced informally on the day if time and circumstances allow and may be available at the MV web site at some point after the event.

All competitors are invited to a social at pub after the event. Food available until 10.00pm.

You are responsible for your own safety and you take part in this event at your own risk
