NONSUCH PARK AWARENESS DAY EVENT Sunday 15th September 2013

As part of the 2013 Nonsuch Park Awareness Day, MVOC will be introducing the sport of Orienteering and the activities of the club to the public at this community event.

Members of the club will be putting on a fun activity Speed O event for the public to enjoy, free of charge, and will be providing help and guidance when needed.

The club will also be promoting the Permanent Orienteering Course within the park and distributing the POC map pack to those that may wish to try navigating their way round it.

General activities for the Awareness Day start from 11.00am to 4.00pm and will be held within all areas of the park. The MVOC club tent will be situated close to the Cheam Gate entrance.

Nonsuch Park is an attractive area of parkland, open fields and woodland situated to the north of Epsom between Ewell and Cheam villages. Car parks are provided either near the Cheam Gate entrance off Ewell Road or off the A24 London Road. The park entrances are a short walk away from Stoneleigh, Ewell West, Ewell East and Cheam rail stations.
