Summer Evening Orienteering at POLESDEN LACEY

Tuesday 12th July 2016

This is the second of a series of SUMMER EVENING events MVOC are organising on Tuesday nights from May to August.

This event is designed to be both interesting and fun for newcomers to the sport and challenging for experienced orienteers.

The Venue: Polesden Lacey contains one of Surrey's finest country houses with extensive grounds. The house itself is situated in an elevated position with views over Ranmore Common to the south and Great Bookham and beyond to the north. The event will visit pockets of ancient mature woodland linked by vast, open and undulating fields and pastures.

Format: There will be 2 linear courses of approx. 2.5 km and 5 km to provide a suitable challenge for all ages and abilities.

Map: The map is at 1:5000 scale produced by Philip Gristwood in 2015 to Sprint specification and printed on waterproof paper.

Registration location: Club tent or car on the perimeter of the main car park at Polesden Lacey which is at TQ 13605235. Polesden Lacey is signed with NT signs from the junction of the A246 (Leatherhead/Guildford Road) at TQ137544. After leaving A246, turn left after 100m into Polesden Lacey Road. After 1.3km turn right following NT signs and stay on this road to the car park.

Public Transport: Polesden Lacey is poorly served by public transport. The nearest rail stations are Westhumble approx 3 km to the east, Bookham approx. 4 km to the North. A limited bus service runs along the A246. A return service may not be viable.

Starts: from 18:30 – 19:30.

Entry Fee: £3 to non-BOF seniors; £2 to BOF seniors; £1 for all juniors (under 18); free to MV members & supporters.

Equipment: Watch; SI dibber (these can be loaned to those that don't have one); compass; whistle in case of injury; full leg cover is **strongly** advised as there are brambles in places.

To enter: please email: lois_exell@yahoo.co.uk to reserve a map.

Note: BOF 3rd Party insurance does not cover any non-BOF member who has taken part on 3 or more BOF events. If you are affected, you are strongly advised to join a BOF club for your own peace of mind.

Results: will be available as soon as possible after the event on www.mvoc.org

The event is planned and organised by **Lois Exell**
