Try Orienteering

MORDEN HALL PARK

Saturday 5th June 2010 – 10am to 12noon

Morden Hall Park is an area new to orienteering.
The Park is a National Trust property.

This event is part of the **Wandle Valley Festival 2010**,
a celebration of the River Wandle.

Events of all kinds are taking place along the river over the 5th and
6th of June in the boroughs of Wandsworth, Merton and Sutton.

Information about the Festival can be found at www.wandlevalleyfestival.org.uk.

The orienteering event runs from 10am to 12 noon.

There is a charge of £1 to cover the cost of equipment hire.

You will get a specially produced map of the Park to take away.

There will be two courses of different lengths. Both will be suitable for beginners to orienteering. If you have not tried orienteering before, there will be plenty of people on hand to explain how it all works. You can walk or run the course and go round individually or in a group. The courses will give you an opportunity to explore the Park and go off the paths in some areas.

Please wear stout shoes that you don't mind getting dirty. Trainers would be ideal. We will provide everything else you need, though if you have a compass you may like to bring it along.

Travel information - Morden Hall Park is very accessible by public transport. Morden tube stop is about ten minutes walk away, Morden South rail station twice that. Many buses pass nearby. A tram stop (Phipps Bridge) is on the edge of the Park. Tram journey time is about ten minutes from Wimbledon (interchange on the rail station), fifteen minutes from Croydon (there are several stops in Croydon including an interchange at East Croydon rail). Car parking is in the garden center adjacent to the Park accessed via Morden Hall Road. Morden Hall Park is at OS Grid Reference TQ260685.

More information about Morden Hall Park, its attractions and how to get there can be found at www.nationaltrust.org.uk/main/w-mordenhallpark-2

Taking part - When you get to the Park, make your way to the Snuff Mill. This is clearly signed and is the centre of Wandle Valley Festival activities within the Park.
