SUMMER EVENING SERIES Event 4 – NORBURY PARK Tuesday 10th August 2021

This is the last of a series of 4 Summer evening Orienteering events MVOC are organising between May and August within the Mole Valley area.

Continuing the format of the first 3 events, there will be two Score* courses available:

Course A: a 60 minute “Odds & Evens” Score with a switch control.

Course B: a 60 minute Score course using the same controls but without needing to switch.

Course A is aimed at regular orienteers and runners.

Course B is aimed at those requiring a shorter run or families and is ideal for newcomers.

****The area is essentially traffic free except for a very lightly used access track for a few residents****

Entries will open on racesignup.co.uk once permissions are finalised.

Entry closing date Sunday 8th August. No entries on the day

Fees: BOF seniors £3; non-BOF seniors £5; BOF juniors (under 16) £1; non-BOF juniors £2
MV members – 50% discount; Si Dibber hire £1

Map: Remapped winter 2020/21 by Ian Roberts, printed on waterproof paper. Scale is 1:10,000 with 5 metre contours.

SI controls will be used throughout and will be SIAC enabled.

Norbury Park: lies between Leatherhead and Dorking to the west of the A24 within an area of Outstanding Natural Beauty. The area rises to a plateau from North to South and from East to West above the River Mole valley. The undulating area comprises managed mixed woodland with some open areas all linked by an extensive path network. Summer vegetation growth is pronounced in some places but the control locations have avoided the worst.

Clothing/equipment: full leg cover is required; a compass, a timepiece and a whistle to summon help if required, Si dibber unless hiring; water to hydrate before and after the run if weather is hot; if heavy rain is forecast a waterproof top may be required.

Starts: 4.30pm – 7.00pm. Courses close at 8.10pm sharp.

Parking location: Bocketts Farm car park accessed from the roundabout at the top of Young Street (A246) and signed from TQ152549. What3Words method.nods.coach

Start: will be within 100m of the car park.

Public transport: Whilst we recognize restrictions have been eased, it is recommended not to use public transport to reduce the risk of Covid transmission.

The farm is not well served by public transport. The nearest rail station, Leatherhead, is 2km

Final Details: will be issued before the event. **Results:** as soon as possible afterwards.

***Score Event:** “Score” just means that there is no set course. The map will show a number of controls, but you don't have to visit them all. You get points for each control you visit, and lose points if you exceed the time limit.

*****You are responsible for your own safety and you take part in this event at your own risk*****
